Dear Parents,

Teacher Professional Development Day (April 17)

To further enhance teacher professionalism, our school holds regular teacher development activities echoing the educational trend and students' needs.

The upcoming teacher professional development will be held on April 17 (Thursday). All teaching staff will participate in a teacher training about national education.

Students do not need to attend school on April 17. Please kindly remind your child to stay at home that day and do revision exercises assigned by the teachers. If you have any enquiries, please contact the school general office at 2382 0002.

Best wishes,
